Bulletin Details					
Description: On July 2, 2013, Silicon Laboratories International Inc. (Silicon Labs) completed the transaction to acquire Energy Micro AS. The integration of Energy Micro AS into Silicon Labs will result in a few relatively minor changes as described below: 1.) All Energy Micro EFM32 datasheets will be updated to replace the Energy Micro logo with the Silicon Labs logo. Datasheets will be available at www.silabs.com . 2.) All existing Energy Micro orders have been transitioned to Silicon Labs and have new order numbers. 3.) Existing customer purchase orders shipped after August 13 will be fulfilled and shipped by the same supplier but done so through the Silicon Labs ERP system. Changes to labels and documents are described below and in Appendices A-B. For EFM32 MCU ICs: a.) The Energy Micro outer box (3S) label will transition to the standard Silicon Labs outer box (3S & HU) shipping labels; see the Product Identification section and Appendix C. The Energy Micro inner box label will transition to Silicon Labs inner box label as inventory is depleted; again Product Identification section. b.) All boxes, reels, trays, and moisture barrier bags will transition to Silicon Labs standard materials as inventory is depleted. c.) The commercial invoice (pro forma) and packing list will change to the Silicon Labs standard format. For EFM32 MCU Kits: a.) The Energy Micro outer box (3S) label will transition to the standard Silicon Labs outer box label (see the Product Identification section and Appendix C). b.) The commercial invoice (pro forma) and packing list will change to the Silicon Labs standard format. If you have questions about this bulletin, please contact your Silicon Labs sales representative. A list of Silicon Labs sales representatives is available at www.silabs.com .					
Reason: Energy Micro AS acquisition by Silicon Labs.					
Product Identification: All EFM32 microcontroller products previously supplied by Energy Micro AS.					
Customer Actions Needed: Please be aware and update internal systems as needed. No specific action is required.
