

2407031562 Addendum to 2402281521 EOL Last Order date change for Si1102 and Si1120

EOL Issue Date: Jul 03, 2024

Effective Date: Mar 06, 2025

Last Order Date: Jul 31, 2024

PCN Type: Discontinuance

Description of Change

Silicon Labs announces an End of Life (EOL) and Last Time Buy (LTB) for Si1102 and Si1120.

Existing customers may place LTB orders per the key dates above and guidelines listed in this EOL form.

All customer orders placed after the EOL Issue Date will be Non-Cancellable and Non-Returnable (NCNR). These orders will need to have a Customer Requested Delivery Date (CRD) before the EOL Effective Date. As of this EOL Issue Date, Silicon Labs will no longer accept customer orders with a CRD beyond the EOL Effective Date. Additionally, these orders will be Built to Order (BTO) and may have extended lead times. See your sales or distributor representative for new Lead Times.

Note: Silicon Labs will accept customer orders that are received prior to the Last Order Date shown above, but does not guarantee that it will be able to fill all or part of any orders due to limited availability, manufacturing issues or other reasons beyond Silicon Labs' reasonable control. Estimated delivery dates beyond normal lead time should not be considered as a firm acceptance or a guarantee of supply at any time.

If you have questions about this EOL, please contact your Silicon Labs sales representative. A list of Silicon Labs sales representatives is available at www.silabs.com.

Reason for Change

This addendum to EOL PCN 2402281521 is issued to pull in the Last Time Buy (LTB) date for Si1102 and Si1120 parts from Sep 03, 2024 to Jul 31, 2024. The foundry that supplies the wafers used to manufacture the Si1102 and Si1120 devices has announced an End of Life (EOL) of the wafers due to obsolescence of critical materials required for the affected technologies. This impacts Silicon Labs ability to manufacture these devices. Please note the non-standard time window for placing LTB orders (~5months instead of 6 months), which is primarily driven by the foundry. CUSTOMER ACTION REQUIRED: The shortened LTB date requires immediate attention from customers to work with Silicon Labs Sales representatives to place orders before 31 July 2024. This addendum does not affect the LTB date of any other parts listed on original EOL.

Impact on Form, Fit, Function, Quality, Reliability

None

Product Identification

Existing Part #	Replacement Part #	DropInCompInd.
SI1102-A-GM	SI1153-AB00-GM	See Datasheet
SI1102-A-GMR	SI1153-AB00-GMR	See Datasheet
SI1120-A-GM	SI1153-AB00-GM	See Datasheet
SI1120-A-GMR	SI1153-AB00-GMR	See Datasheet

Kit Identification

Orders for the following kits may no longer be accepted.

Customer Response

Lack of acknowledgment of the PCN within 30 days constitutes acceptance of the change, Ref. JEDEC-J-STD-046.

To request further data or inquire about this notification, please contact your Silicon Labs sales representative. A list of Silicon Labs sales representatives is available at <http://www.silabs.com>.

Customers may approve early PCN acceptance by emailing approval, along with PCN # to PCN@silabs.com
