### PCN Details

**Description of Change:**
Silicon Labs is pleased to announce a change in shipping media for orders of Si3050-E1-FM in non-tape and reel, from tube to tray. The tray complies with industry standard EIA 481, Embossed Carrier Taping of Surface Mount Components for Automatic Handling.

See Appendix A for detailed drawings for current tube and new tray.

**Reason for Change:**
This change is being implemented to support a capacity expansion.

**Impact on Form, Fit, Function, Quality, Reliability:**
Only the form of the shipping media will change. Form, Fit, Function, Quality and Reliability of the product are not affected.

**Product Identification:**
Si3050-E1-FM

**Last Date of Unchanged Product:** 2/4/2015

**Qualification Samples:**
Tray samples are available upon request.
Specific conditions of acceptance of this change will be considered on a case by case basis if written notice is submitted within 30 days of this notice. To request further data or inquire about this notification, please contact your local Silicon Labs sales representative. A list of Silicon Labs sales representatives is available at [www.silabs.com](http://www.silabs.com).

In some cases rejection of a change notice may impact Silicon Labs product pricing, delivery, quality, or reliability.
